The Pivotal Role of the Suez Canal (SC) in the Mediterranean Sea and in the Global Maritime Economy

ALEXBANK and SRM invite you to their upcoming webinar titled “The Pivotal Role of the Suez Canal (SC) in the Mediterranean Sea and Global Maritime Economy”.

On the occasion of publishing their third report on the Suez Canal's performance, the webinar will be showcasing the report, discussing the Suez Canal performance post COVID19-, as well as the Canal's overall performance and economic potential.

Join us and engage with our strategic lineup of high profile government and business leaders.
